FARM SAFETY DO'S & DON'TS

-  Wash your hands after you are done working with animals on the farm.
-  Use safety equipment like helmets, gloves, and goggles, where necessary.
-  Have a plan with your family of what to do in case of an emergency.

-  Never jump from a moving tractor, ATV, or any other type of vehicle.
-  Don't wear loose fitting clothing around machinery. It could get caught.
-  Always stay close to an adult, or out of the way, when large equipment is moving.
